Accreditation/Authorization:

In Georgia, the process of institutional accreditation of higher education institutions started in 2005. From September 2010, the process of licensing educational activities and institutional accreditation was abolished and the authorization of educational institutions began. The educational programs administrated before the commencement of the 2005-2006 academic year by the Higher Education Institutions established under the requirements of the law of Georgia are state-recognized.

By decision of the Authorization Council of the Higher Education Institutions in the 2012-2018 years Caucasus Internation University – LLC was granted a status of Higher Education Institution (University). In 2019, the maximum number of student places was set at 7,400 students.

The mission of the Caucasus International University – LLC is: to create contemporary learning-research environment by implementing innovative methods, interncultural education and multidimentional University life. The University ensures to nurture generations with democratic values who are competitive in both local and international labor markets and capable of addressing the challenges of sustainable development.
